HOMECOMING 5K RACE

We are happy to be back on campus for the [41st annual Homecoming 5K](#). The race through campus is a great way for community, alumni and students to come together for fun, fitness and a sense of Ram pride. All ages, genders, and abilities welcome. More information about the race time, route and more will be available on the [HES website](#) and their social media channels throughout the month of August.

Virtual Race

For Rams who cannot make it home to Fort Collins, we are excited to continue the virtual race for a second year. Runners can have their race packet mailed to them and submit their times using apps such as Garmin, Fitbit, Apple Fitness +, Google Fit, Samsung Health, and other running and fitness apps to verify their 5K. Photos may also be sent to win special photo category prizes! We are excited to offer the opportunity for families, friends, alumni, and students to participate from wherever they are, and compete together across the globe!

Registration

[Click here to register.](#)

Benefactors

Benefits of the race this year will go towards supporting Adult Fitness, a supportive group exercise program uniquely tailored to the needs of each member. It provides a hands-on learning practicum for hundreds of HES students each year, who get to engage in client relations, tailored workout programs, and a variety of other pertinent industry skills in a welcoming yet realistic environment.

Questions?

Call (970) 491-5081 or email homecoming5k@colostate.edu

Sponsored by the Department of Health and Exercise Science, College of Health and Human Sciences.

wherever they may be. Race your Ram fam and have them join in from afar!

Virtual runners may select the shipping option at check out to have their shirts shipped to them for an additional fee, and we will once again have local sign-ups at our HES office as well as local packet pick up for local runners.

Groups of 20 or more are eligible for a 10% group discount. Email Homecoming5K@colostate.edu to register and receive the group rate. Requests must be received by Friday, Oct. 1.
