Office 365
for Education

You get 5 licenses for PC/Mac and another 5 for phones/tablets.

1	Go to https://portal.office.com
2	Login with ename@colostate.edu and your eID password (not to be confused with ename@rams.colostate.edu)
3	Click PC/Mac or Phone & Tablet.
4	For computers, click Install and follow the remaining prompts. For phones/tablets, it will lead you to the App/Play store.

Recommended Anti-Virus Software

University policy requires that Windows and Apple computers have antivirus software installed. These are several well-respected free antivirus software programs to choose from.

Microsoft Security Essentials (Windows 7)
